

# WHAT CAN THE ABC SPECIAL NEEDS PROGRAM DO FOR YOU?

## Parents

*Do you have a child with different needs or developmental delays?*

## Child Care Providers

*Did you know you can receive consultation, technical assistance, and training to facilitate the inclusion of a child with different needs/abilities?*

**The ABC Special Needs Program** works with child care providers, faith communities, educators, after school programs, and the greater community for the inclusion of children with different needs/abilities.

- ➔ **W**e provide consultation, technical assistance, and/or training through identified specialists at no cost to the parent or provider.
- ➔ **ALL** trainings are approved through the CCCCD and DSS.
- ➔ **T**he Program collaborates with service providers and agencies to coordinate services for children, which include the SC Department of Social Services (SCDSS), SC Department of Disabilities and Special Needs (SCDDSN), SC Department of Health and Environmental Control (SCDHEC), SC School for the Deaf and Blind (SCSDB), State Department of Education (SDE), First Steps, and Head Start.
